A LETTER FROM JACK

Were celebrating our 46th anniversary in 2010 and want to thank all of our loyal customers. We've now moved our business to the high desert of Apple Valley, CA. Moving 55-years of parts and cars was quite an undertaking but well worth the time and effort. We now have most of our parts on the shelf for immediate delivery.

This is how it all started.

Ever since the Mark II was introduced, I was awed by it, and dreamed that some day I might own one. In 1961, I located a Mark II that had damage to the right rear quarter panel. I felt I could find the parts to repair the damage at a reasonable cost since I was in the auto dismantling business. I found what was supposed to be a N.O.S. quarter panel for \$50.00. Upon receiving the quarter, I was surprised that it was for a 1956 Lincoln Premiere! I was devastated and didn't know what to do. I advertised through the automobile media for the parts and found a Mark II that was hit in the front end. I purchased it and removed the parts I needed. I enjoyed driving and tinkering with Mark II for several months and then decided to sell the extra parts. Over the next few years, I purchased a few more cars, and decided to print a catalog listing the parts and services available. I've accumulated an enormous inventory of new, N.O.S., rebuilt and used parts. What started out to be a hobby has turned into a business! In 1979, I established a national mail order business, Reliable Motoring Accessories, specializing in custom car covers and automotive accessories. In 1989, we won the National Catalog Award with our 60-page 8-color catalog. In January 1991, I decided to semi-retire, and scale down the accessory business, as it turned out to be too time intensive preventing me from spending the time with my Mark II's and other hobbies.

After 45-years, I have accumulated over 125 Mark IIs and '49 thru 60's Lincoln's, which are in various conditions; some for parts, restoration, etc. My black Mark II received 1st place in each of the two times shown at an L.C.O.C. National Meet, including the FoMoCo® Trophy. In 1996, I completed a Bermuda Coral '57 Lincoln Premiere convertible, for my wife Linda. It won first in its class in September, '96 at the L.C.O.C. Western Meet, and first in class and also the prestigious William Coughlin award (best 1951-60 Lincoln) at the '98 Western National Meet in Santa Fe, NM. Recently, it received its 2nd Emeritus award with 100 points scored. My latest project, a 1957 Mark II is in the final stages of restoration.. My Sunburst Yellow, 1956 Lincoln Premiere convertible, won the Lincoln Motor Car Award for best

primary 1949-1960 Lincoln and a 1st in its class in 2001, both first times in competition. In 2002, the '56 received a 1st in class and the William Coughlin award for best 1949-1960 Lincoln in senior class with 100 points scored. In 2003, it received 1st runner-up to Best of Show and in April of 2004, it won 1st in class again with 100 points and the Elliston H. Bell Award for Best of Show at the Western National Meet in Albuquerque, New Mexico. I have several projects in the works including '57 Mark II, '47 Cabriolet, '59, '63 and '66 Lincoln Continental Convertibles, '79 Ferrari BB512, '42 and '51 Ford Woody Wagon, and my wife's '48 Ford Anglia with a Supercharged Chevy engine.

For those who have access to a computer, view and print our latest catalog on our website www.markii.com. Most items have pictures and detailed information. Purchasing any item is easy and all personal information is encrypted by VeriSign for your security.

I'm always available to give you my personal attention, even if it's just for questions any day 8:00 am - 5:00 pm Pacific time, and weekends by chance. (Please feel free to use our Toll-Free number from the 50-States and Canada). If you get a recorded message, we're either on the phone, or out in the yard.

I've recently acquired several Mark II and 1949-67 parts cars. Inquire for your needs. The Continental Mark II Association is on hold and hopefully will resume in the near future.

Our new in-house business manufacturing plastic lenses is getting busier by the day. We have accumulated over 500 molds for most Lincoln and Mercury's and have expanded into other vehicle makes. Watch for our new steering wheels and interior knobs, manufactured as original with the color impregnated in the plastic. "If it can be made in plastic, we can do it and you can't tell them from N.O.S."

Before I conclude this letter, I suffered a near-fatal heart attack in 2003 and a serious motorcycle accident in 2004. I wish to thank everyone for their positive comments and support. My recovery has went quite well. With the help of my wife Linda, son Brent and daughter Renee, I will continue to provide the personal attention you deserve.

Sincerely yours,

Jack Rosen

BUSINESS POLICIES

ORDER BY PHONE, FAX OR OUR WEBSITE

Call Toll Free 50-States & Canada: 800 57MARK2 (800-576-2752) or 951-686-2752
Fax 760-770-3324, 24 hours - Email: sales@markii.com - Website: www.markii.com

Our hours are Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. PST. and by chance on Saturdays. Look over the catalog and list your selections using our part numbers, descriptions, and prices. For your convenience we accept MasterCard & Visa. Visit our website www.markii.com for secure ordering.

UPS Notification via e-mail if requested — track your package the day it shipped.
Customer service and inquiries, please contact us at 800-576-2752 or 951-686-2752 or via email at info@markii.com

ORDER BY MAIL

Make checks and money orders payable to: Mark II Enterprises and call for mailing address. If ordering with a check or money order, please call for shipping charges. We try to ship within 24 hours and sometimes the same day. Any out of stock items will be put on a back-order status. Any amount of pre-paid items not available will be refunded, and you will be notified of the amount, which would be due for any substantial price increases. Please note prices and availability are subject to change without notice.

CANCELATIONS

A 3% charge for cancellation after credit card is debited. This is a bank merchant fee that we cannot recover. Orders cancelled after shipment is subject to a 20% cancellation fee and all shipping charges.

SHIPPING/HANDLING/INSURANCE CHARGES

All prices listed do not include shipping. Most items are shipped via UPS ground F.O.B. RIVERSIDE, CA and are fully insured. Minimum \$9.50 charge. UPS 3-Day Select, Second Day Air, and Next Day Air is available upon request at a slightly higher cost. Please advise a street address, as UPS will not deliver to a P.O. Box. Small items can be shipped via the Post Office from \$7.50. INTERNATIONAL: Customer's are responsible for all Custom, Duty and Brokerage Fees for any returned items including cores. No Exceptions.

RETURNS — GUARANTEES

ALL PARTS ARE 100% GUARANTEED, UNLESS SPECIFICALLY SOLD "AS IS". Most merchandise is guaranteed for a minimum of 60 days/maximum 90, for a full refund or exchange at our discretion. Contact us if in question. Items with an written extended warranty are to the original purchaser/owner (nontransferable). Warranty starts at time of receipt of merchandise, NOT INSTALLATION DATE! Merchandise returned must be PREPAID and must be in its original condition, container and instructions. A 20% restocking fee will be charged for items returned beyond 30 days, unless there is a manufacturing defect or shipping error. Sorry, no returns on used, special orders, electrical, and fuel related items. **A copy of the original invoice with a letter of explanation MUST accompany all returns** - otherwise a 10% invoice research fee will be deducted. All guarantees are limited to an exchange or refund of the purchase price.

BUSINESS POLICIES (CONT.)

CORE DEPOSITS – EXCHANGES

When a rebuilt item is sold on an exchange basis, the selling price includes a rebuildable core. This is a courtesy, which eliminates the down time of your car. Without your rebuildable part, we won't have parts to sell. We prefer you send us your part first, but if you cannot, we must charge a core deposit to guarantee its return. Core deposit amounts depend on the scarcity and popularity of the item. There will be an adjustment to the core refund if your part is not rebuildable or needs major repair. Core refunds will be issued by same method of payment, normally within a few days of receipt. Exception: Some cores must be sent to manufacture for approval. This can take up to 30-days. Inquire at time of purchase.

Classic car parts are getting hard to locate. Many cores have not been returned in a timely manner or not returned at all. Without cores we can't stay in business. PLEASE RETURN CORES WITHIN 30 DAYS (unless prior arrangements are made) and enclose a copy of invoice so proper credit can be issued! Cores must be original ITEM AS SOLD, COMPLETE, ASSEMBLED & RE-BUILDABLE. CREDIT WILL BE ISSUED UPON INSPECTION. IF A CORE DEPOSIT IS REQUIRED, AND YOU CANNOT RETURN THE CORE WITHIN 30-DAYS, CALL US OR FORWARD YOUR CORE IN ADVANCE.

DAMAGED OR SHORTAGE OF MERCHANDISE

Inspect all merchandise immediately upon receipt. **DO NOT SIGN FOR COMMON CARRIER SHIPMENTS UNTIL MDSE. IS INSPECTED.** If an item is damaged or missing due to a damaged package, **contact the carrier so a claim may be processed. DO NOT SIMPLY RETURN THE PACKAGE TO US; THIS WILL VOID ANY INSURANCE CLAIM!** Catalog prices are subject to change as often times our suppliers increase costs without prior notice. When an increase is substantial, you will be notified prior to shipment. We reserve the right to refuse service to anyone.

WHY PURCHASE FROM MARK II

1. 45 Years of Knowledge & Service
2. Extensive Inventory — Most Everything for Mark II and 50's & 60's Lincoln's
3. Price Guarantee

LAMPS
LENSES, ETC.**

For 46 years Mark II Enterprises has offered quality parts for classic and exotic cars. After 10-years of extensive research and development we now have accumulated over 500 park, tail, and backup lens molds for many Marques and special interest autos. Our proprietary polymers exceed the OEM materials. Our lenses have perfect color, UV stability, dimensional accuracy, and exact detail. Indistinguishable from the original! Limited production runs to the one off are available

MEMBERSHIP CLASSES

MEMBERSHIP: This is an individual membership. The member if married is encouraged to list their spouse. The spouse will be known as an associate member and he/she can participate in the social activities of the club. The associate member **is not** eligible to vote on any matter, hold office or participate in the administrative functions of the club, or enter a Lincoln in a National Meet Concours.

JOINT MEMBERSHIP: The primary member and their spouse are both members and receive all of the member benefits with the exception that they only receive one issue of the publications. Both members have a vote, can hold National or Region offices, can enter Lincolns in a National Meet Concours and participate fully in all club activities.

LIFETIME MEMBERSHIP: The lifetime membership is based on the life of the primary member. Joint members will expire with the death of the primary member.

PRIMARY MEMBERSHIP: Available to members 24 years old or younger. Proof of age is required. Full membership privileges.
